### **NEW INFORMATION**

Winter Conference registration is for in-person attendees only. This is not a hybrid event and there is not technically a "virtual option." However, breakout sessions available for certification credit will be recorded and added to ACE Hub, the league's learning management system following the conference. Conference attendees will receive an ACE Hub coupon code via email to watch and receive credit for the breakout sessions on the ACE Hub (rather than AttendeeHub) for 90 days post-conference, the same as before, at no additional cost. Members who would have previously paid for a 'Virtual Registration' can now purchase the credit opportunities at \$20 per class post-conference on the ACE Hub.
